

Gennaio 2017-ITALIAN-

Story of this month: La Befana

On January 6th in Italy every child wakes up expecting to find some gifts next to his-her bed because LA BEFANA comes during the night.

There are many stories about this old woman that brings gifts to the children and the one I tell the older children (4 and 5) is the one that TOMIE DE PAOLA features in his book. The story is from the south of ITALY.
